A University of Kent Academies Trust School

Friday 2<sup>nd</sup> July 2021

Dear Parent/Carers

### **Careers Day**

We are committed to ensuring that careers is embedded in all that we do in the academy to fully prepare students for their future. As part of this commitment we are planning an academy wide careers focus day on Tuesday 13<sup>th</sup> July, your child will be taking part in various career themed sessions throughout the day.

Year 9, 10 and 12 students will have the opportunity to meet with various employers who have offered to come into the academy to share their experiences.

Ideally we would organise a programme to allow all of the students to be able to meet the professionals, unfortunately COVID restrictions mean we will have had to restrict it to certain year groups this year.

However, moving forward as this is an annual event, younger students will get the opportunity in the future to meet different employers.

If you have any questions about the day, please do not hesitate to contact me.

Yours sincerely,

Paula Knight  
Careers Coordinator
