Dear Parents/Carers,

## Careers Update

I am writing to draw your attention to events and information relating to careers this term.

### Career Ambassadors

We have a fantastic group of students volunteering their time to support careers across the Academy. Their role is to promote careers in all aspects of Academy life including:

- Supporting career events
- Attend termly meeting
- Supporting their chosen subjects
- Creating newsletter content
- Informing their PT groups of new career related news

### Careers Newsletter

It is my pleasure to share their careers newsletter with you this term. We believe that careers are an important part of a child's life whilst in education, and we would really like parent/carers to be involved. If you could offer just a small amount of time in person or virtually by speaking about your career, then why not be one of our guest speakers.

With Careers Focus Day on Tuesday 12<sup>th</sup> July 2022, we would like so many more parent/carers involved, we had some great parents/carers from a wide range of careers supporting last year including:

- Army Officer
- Health and Safety Manager
- Community Nursing
- Ambulance Driver
- Software Designer
- Midwifery
- Paramedics
- Forensic Scientist
- Graphics Designer and Artist
