Dear Parent/Carer,

Industrial Action on Thursday 27th April and Tuesday 2nd May 2023

As I am sure you are aware before the Spring break, the latest government offer around pay was rejected by teaching unions, two further strike days have now been announced. As there are a number of exams and activities on during both days, I have set out the timetable for all year groups on these days to ensure it is clear for all students and families. As previously we can host children of critical workers or vulnerable students in the library, please complete the link attached if you would like your child to be onsite on both days.

If your child is entitled to Free School Meals, these can be collected at 3pm on the day before the strike days from the Student Hub. Again, if you could please complete the above link if you wish your child to do this.
