Dear Parents, Carers and Students

RE: Start of Term 5

I hope you have all kept safe and well over the Easter break. Thank you for all the positive comments and feedback we received about the digital learning we provided last term. With no end in sight to the national lockdown, on Monday, which is the start of Term 5, we will resume online lessons for all year groups except Years 11 and 13. We will also continue at the Brompton Academy campus, to provide the onsite study option for those students whose family are in the key worker categories.

The consultation from Ofqual; 'Exceptional arrangements for exam grading and assessment in 2020', is due to end on 29th April, so once we have final confirmation on the way forward we will be in contact with Year 10, (due to take Statistics), Year 11 and Year 13 students and families.

Year 11 students who are planning to continue their studies in the UKAT Sixth Form will be receiving information next week about transition work from Ms Perkin.

There will be no change of carousels for Year 7 and Year 8 this term, instead staff will be sending through some optional creative projects for students to complete if they wish to.

Please get in contact with us if you have any questions.

Yours sincerely
