3rd November 2021

Dear Parents and Carers

Term 2 information

I hope you have all had a good half term break and are looking forward to Term 2. A couple of reminders before we return next week. Firstly, please ensure your child has carried out at least one, preferably two Lateral Flow Tests before returning on Monday. As cases continue to rise please ensure you continue to regularly test and do not send students into the academy if they are showing COVID symptoms. We have many boxes of test kits available at Student Services.

Secondly, as the weather gets colder, although the heating is on, students may wish to wear extra layers such as vests and T-shirts under their uniform, as we must still ventilate classrooms wherever possible.

I look forward to seeing you all next Monday.

Yours sincerely,

Wendy Walters

Principal
