Dear Parents/Carers

RE: Update following PM's announcement last night

I hope you and your families are keeping safe and well. Last night, Prime Minister Boris Johnson made a public announcement on potential changes to the current lockdown in the country. This has suggested that some schools may be able to open to Years 10 and 12 after the May break. As yet no detailed guidance has been issued to schools and we don't have any idea of what will be suggested or expected.

At this current moment nothing has changed and we will continue with our arrangement of remote digital learning for most and onsite provision only for key worker or vulnerable students.

As soon as we know more and are able to provide more information, then please be rest assured we will do. Fortunately students have been fantastic at adapting to virtual lessons, with high levels of engagement. One member of staff told me last week she is being overwhelmed by student responses to all tasks. Thank you for all your positive and kind messages to staff for their continued support of students and the quality of the work being provided, they do appreciate it.

As always please get in touch with us if you have any questions.

Yours faithfully,
