Re: GCSE Results Day – Thursday 12th August

I hope you and your family are keeping well.

I am pleased to confirm that GCSE results day will take place on Thursday 12th August at Chatham Grammar, in the Sports Hall. To reduce the number of students in the Academy at any one time, students have been allocated a time slot to collect their results based on their surname as follows:

All students should arrive at the Sports Hall external doors and use the social distancing queue system prior to entering. It is important that all students attend during their allocated time slot only as results will not be available at alternative times during the morning.

If a student is unable to collect their results, the student should email our exam secretary Mrs Nevin via nevin@universityofkentacademiestrust.org.uk. Students will need to give permission for either someone to collect their results on their behalf or if they wish their results to be posted. Unfortunately, we are not permitted to post these results until 8.30am on the day. If a person is collecting results on behalf of a student, please note they will need to bring ID on the day.

If you have applied for the UKAT Sixth Form you will receive your welcome pack and enrolment instructions with your results. Should there be any issues with your application, our dedicated Sixth Form team will be available to support you.

There will be a table allocated for students to return all textbooks and we would greatly appreciate if these could be returned on the day.

I look forward to seeing all students again on Thursday 12th August

Kind Regards,

Mrs S Shillitoe
Assistant Principal
