A University of Kent Academies Trust School

Dear Parents/Carers,

Year 10 assessments

This term your child will be sitting their end of year assessments. To prepare them for their public exams in the Summer of 2023 these assessments will be held in our Main Hall with exam invigilators.

Your child has been issued with a timetable that indicates their exam room and their seat number. Teachers will inform students the content they need to revise, and many subjects will provide revision materials to support their revision.

It is important that your child prepares for these assessments. The outcomes of these assessments will be reported to parents/carers in the usual way – via end of year reports and will give students and teachers a clear indication of where your child currently is at the end of their first GCSE year.

If you or your child has any queries regarding these assessments, please either contact me on:

shillitoe@universityofkentacademiestrust.org.uk or the following depending on your query:

Exam procedures

Please contact our Exams Officer Sally Nevin:
