

## Homework for BTEC Sport Level 3

### Task 1

Complete a keynote or PowerPoint presentation to summarise **two different career pathways** in the sports industry.

- For each career pathway you must explain the associated **job opportunities** and **their requirements** in the sports industry.
- You must include:
  1. Job Summary - Describe the roles, job skills and responsibilities of the role.
  2. Job Opportunities - What opportunities does the job provide? What events or areas could you be involved?
  3. Professional development requirements and qualifications - What qualifications (GCSE/A Levels/degree)
  4. Experience do you need for the role.

### Task 2

For **ONE** of the career pathway, explain the development pathway in form of a written report using word.

Ensure you include the following:

- Pathway to achieve career - What qualifications, experience you could undertake and what different routes (training routes). Any other qualification or experience to be written also.
- What **legislations** are required for career choice and why? This could include the following - DBS, health and safety at work act (1974), reporting of injuries, diseases and dangerous occurrences regulations (Riddor, 1995), personal protective equipment (2002) control of substances hazardous to health, health and safety (first aid) regulation (19810 & manual handling operations regulations (1992).
- The required **skills** for career choice? General and specific skills.
- Once qualified what **further developments** can you do? (e.g. courses to improve practice or legislation that has to be updated annually)
